**In the event of severe weather or other emergency conditions-**

Every attempt will be made to deliver meals. In the event of severe weather or other emergency conditions that could place volunteers in jeopardy, a decision may be made to suspend meal service for one or more days. Meals on Wheels staff will attempt to telephone all recipients to notify them of the meal cancellation and to review shelter in place procedures. Meal recipients should maintain a three day supply of food and water, medications and other necessities. Additional information is provided bi-annually to all participants.
